

The `beamertheme-bilkentecon` Beamer Theme

A Clean and Professional Presentation Template for Bilkent Economics

Summary

The `beamertheme-bilkentecon` package provides a new Beamer theme specifically tailored for academic presentations in the Department of Economics at Bilkent University.

Version

Type: New

Version 0.0.1

Date: 2025/09/21

Description

The theme offers a clean, minimalist and professional layout consistent with the university's academic identity. It is especially suited for research seminars, conference talks, and departmental presentations. Custom elements include:

- Branded colors aligned with Bilkent University's official palette
- Built-in logo integration
- Customized footline with author name and page number
- Readable fonts and a modern visual hierarchy

Usage

To use this theme in your presentation:

1. Place the theme files (e.g., `beamertheme-bilkent-econ.sty`, `bilkent_logo.png`) in the same directory as your `.tex` file, or install the theme in your local TeX tree.
2. In your Beamer document preamble, write:

```
\usetheme{beamertheme-bilkent-econ}
```
3. Compile your presentation using `pdflatex`, `lualatex`, or `xelatex`.

Example

A minimal working example:

```
\documentclass{beamer}
\usepackage{beamertheme-bilkent-econ}

\title{Your Presentation Title}
\subtitle{Your Subtitle}
\author{Your Name}
\institute{Department of Economics, Bilkent University}
\date{\today}

\begin{document}

\begin{frame}
  \titlepage
\end{frame}

\begin{frame}{Outline}
  \tableofcontents
\end{frame}

\begin{frame}{Main Content}
  Your content goes here.
\end{frame}

\end{document}
```
